WHEREAS, this Council finds that it is necessary to authorize the issuance of bonds for the purpose of providing funds to be applied to the Project, and that the bonds in such amount should now be authorized;

**NOW THEREFORE BE IT ORDAINED BY THE COMMON COUNCIL OF THE
CITY OF WESTFIELD, INDIANA, THAT:**

Section 1. Determination to Proceed; Authorization and Details of Bonds.

(a) The City shall proceed to undertake the Project and such undertaking is hereby confirmed.

(b) In order to procure funds with which to pay the costs of the Project and the costs of issuance of the bonds on account of the Project, the Clerk-Treasurer is authorized and directed to have prepared and to issue and sell the bonds of the City, to be designated as (i) “General

Obligation Bonds, Series 201__ (with such further series or other designation as determined to be necessary, desirable or appropriate, including such series designation to indicate the year in which the bonds are issued)” in the aggregate principal amount not to exceed Five Million Dollars (\$5,000,000) (the “Bonds”).

(c) The Bonds shall be sold at a price of not less than 99.00% of the par value thereof, and each issued in fully registered form in denominations of (i) \$5,000 or any integral multiple thereof or (ii) \$100,000 and any \$5,000 integral multiple in excess thereof, numbered consecutively from R-1 upward, dated as of the issue date and shall bear interest at a rate or rates estimated not to exceed five percent (5%) per annum (the exact rate or rates to be determined by bidding), which interest shall be payable semiannually on January 1 and July 1 of each year, commencing on July 1, 2020, or as otherwise determined appropriate by Financial Solutions Group, Inc. (the “Municipal Advisor” to the City). Interest on the Bonds shall be calculated according to a 360-day year containing twelve 30-day months. The Bonds shall mature semiannually, or shall be subject to mandatory sinking fund redemption if term bonds are issued, on January 1 and July 1 of each year with a final maturity no later than January 1, 2027 and in such amounts as determined by the Clerk-Treasurer. Following the sale of the Bonds, the City is hereby authorized and directed to negotiate with the successful purchaser to modify the amortization schedule based upon the rates bid so as to comply with the level debt service requirements contained in Indiana law.

All or a portion of each of the Bonds may be issued as one or more term bonds. Upon election of the successful bidder. Such term bonds shall have a stated maturity or maturities as determined by the successful bidder or by negotiation with the purchaser, but in no event later than the last serial date of the Bonds as determined in accordance with the above paragraph. The term bonds shall be subject to mandatory sinking fund redemption and final payment(s) at maturity at 100% of the principal amount thereof, plus accrued interest to the redemption date, on dates and in the amounts hereinafter determined by this Council.

(d) This Council and the Clerk-Treasurer are authorized and directed to appoint as Registrar and Paying Agent a designee of this Council, the Clerk-Treasurer or a qualified banking institution (the “Registrar” or “Paying Agent”) for the Bonds, which shall be charged with the responsibility of authenticating the Bonds. This Council and the Clerk-Treasurer are hereby authorized to enter into such agreements or understandings with such bank, if a bank is so designated, as will enable the bank to perform the services required of a Registrar and Paying Agent. This Council and the Clerk-Treasurer are further authorized to pay such fees as the bank may charge for the services it provides as Registrar and Paying Agent, and such fees may be paid from the bond fund established to pay the principal of and interest on the Bonds. Upon agreement between the City and the successful bidder for the Bonds, the Clerk-Treasurer may be designated as the Registrar and Paying Agent, and, in that case, shall be charged with all responsibilities of a Registrar and Paying Agent.

(e) The principal of the Bonds shall be payable at the principal office or corporate trust office of the Paying Agent. Interest on each of the Bonds shall be paid by check mailed by first class mail one business day prior to the interest payment date to the registered owner, as of the last day of the month immediately preceding the interest payment date (the “Record Date”),

to the address as it appears on the registration books kept by the Registrar or at such other address as is provided to the Paying Agent in writing by such registered owner. If payment of principal or interest is made to a depository, payment shall be made by wire transfer on the payment date in same-day funds. If the payment date occurs on a date when financial institutions are not open for business, the wire transfer shall be made on the next succeeding business day. The Paying Agent shall be instructed to wire transfer payments by 1:00 p.m. (New York City time) so such payments are received at the depository by 2:30 p.m. (New York City time). All payments on the Bonds shall be made in any lawful money of the United States of America, which on the date of such payment shall be legal tender for the payment of public and private debts.

(f) Each Bond shall be transferable or exchangeable only upon the books of the City kept for that purpose at the office or corporate trust office of the Registrar by the registered owner or by its attorney duly authorized in writing, upon surrender of such Bond together with a written instrument of transfer or exchange satisfactory to the Registrar duly executed by the registered owner or its attorney duly authorized in writing, and thereupon a new fully registered Bond or Bonds in the same aggregate principal amount and of the same maturity, shall be executed and delivered in the name of the transferee or transferees or the registered owner, as the case may be, in exchange therefor. The City and the Registrar and Paying Agent for the Bonds may treat and consider the person in whose name such Bonds are registered as the absolute owner thereof for all purposes including for the purpose of receiving payment of, or on account of, the principal thereof and interest due thereon.

(g) Bonds shall bear an original date which shall be their issue date, and each Bond shall also bear the date of its authentication. Bonds authenticated on or before the Record Date immediately preceding the first interest payment date shall be paid interest from the original date. Bonds authenticated thereafter shall be paid interest from the interest payment date to which interest has been paid next preceding the date of authentication of such Bonds unless the Bonds are authenticated after the Record Date and on or before the corresponding interest payment date, in which case interest thereon shall be paid from such interest payment date. If at the time of authentication of any Bond interest is in default thereon, that Bond shall bear interest from the date to which interest has been paid in full.

(h) Bonds shall be signed in the name of the City by the manual or facsimile signature of the Mayor, and the seal of the City shall be affixed, imprinted, engraved or otherwise reproduced thereon and attested by the manual or facsimile signature of the Clerk-Treasurer. The Bonds shall be authenticated with the manual signature of an authorized representative of the Registrar, and no Bond shall be valid or become obligatory for any purpose until the certificate of authentication thereon shall have been so executed. Subject to registration provisions, the Bonds shall be negotiable under the laws of the State of Indiana.

(i) If the City upon advice of the City Municipal Advisor determines that it may be beneficial to the City to have the Bonds held by a central depository system pursuant to an agreement between the City and The Depository Trust Company, New York, New York (the "Depository Trust Company") and have transfers of the Bonds effected by book-entry on the books of the central depository system (the "Book Entry System"), the Bonds may be initially

issued in the form of a single authenticated fully registered Bond for the aggregate principal amount of the Bonds. In such case, upon initial issuance, the ownership of such Bonds shall be registered in the register kept by the Registrar in the name of CEDE & CO., as nominee of the Depository Trust Company.

With respect to the Bonds registered in the register kept by the Registrar in the name of CEDE & CO., as nominee of the Depository Trust Company, the City and the Paying Agent shall have no responsibility or obligation to any other holders or owners (including any beneficial owner (“Beneficial Owner”)) of the Bonds with respect to (i) the accuracy of the records of the Depository Trust Company, CEDE & CO., or any Beneficial Owner with respect to ownership questions, (ii) the delivery to any bondholder (including any Beneficial Owner) or any other person, other than the Depository Trust Company, of any notice with respect to the Bonds including any notice of redemption, or (iii) the payment to any bondholder (including any Beneficial Owner) or any other person, other than the Depository Trust Company, of any amount with respect to the principal of, or premium, if any, or interest on the Bonds except as otherwise provided herein.

No person other than the Depository Trust Company shall receive an authenticated Bond evidencing an obligation of the City to make payments of the principal of and interest on the Bonds pursuant to this ordinance. The City and the Registrar and Paying Agent may treat as and deem the Depository Trust Company or CEDE & CO. to be the absolute bondholder of each of the Bonds for the purpose of (i) payment of the principal of and premium, if any, and interest on such Bonds; (ii) giving notices of redemption and other notices permitted to be given to bondholders with respect to such Bonds; (iii) registering transfers with respect to such Bonds; (iv) obtaining any consent or other action required or permitted to be taken of or by bondholders; (v) voting; and (vi) for all other purposes whatsoever. The Paying Agent shall pay all principal of and interest on the Bonds only to or upon the order of the Depository Trust Company, and all such payments shall be valid and effective fully to satisfy and discharge the City’s and the Paying Agent’s obligations with respect to principal of and interest on the Bonds to the extent of the sum or sums so paid. Upon delivery by the Depository Trust Company to the City of written notice to the effect that the Depository Trust Company has determined to substitute a new nominee in place of CEDE & CO., and subject to the provisions herein with respect to consents, the words “CEDE & CO.” in this ordinance shall refer to such new nominee of the Depository Trust Company. Notwithstanding any other provision hereof to the contrary, so long as any Bond is registered in the name of CEDE & CO., as nominee of the Depository Trust Company, all payments with respect to the principal of and interest on such Bonds and all notices with respect to such Bonds shall be made and given, respectively, to the Depository Trust Company as provided in a representation letter from the City to the Depository Trust Company.

Upon receipt by the City of written notice from the Depository Trust Company to the effect that the Depository Trust Company is unable or unwilling to discharge its responsibilities and no substitute depository willing to undertake the functions of the Depository Trust Company hereunder can be found which is willing and able to undertake such functions upon reasonable and customary terms, then the Bonds shall no longer be restricted to being registered in the register of the City kept by the Registrar in the name of CEDE & CO., as nominee of the Depository Trust Company, but may be registered in whatever name or names the bondholders

transferring or exchanging the Bonds shall designate, in accordance with the provisions of this ordinance. If the City determines that it is in the best interest of the bondholders that they be able to obtain certificates for the fully registered Bonds, the City may notify the Depository Trust Company and the Registrar, whereupon the Depository Trust Company will notify the Beneficial Owners of the availability through the Depository Trust Company of certificates for the Bonds. In such event, the Registrar shall prepare, authenticate, transfer and exchange certificates for the Bonds as requested by the Depository Trust Company and any Beneficial Owners in appropriate amounts, and whenever the Depository Trust Company requests the City and the Registrar to do so, the Registrar and the City will cooperate with the Depository Trust Company by taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the fully registered Bonds of any Beneficial Owner's Depository Trust Company account or (ii) to arrange for another securities depository to maintain custody of certificates for and evidencing the Bonds.

If the Bonds shall no longer be restricted to being registered in the name of the Depository Trust Company, the Registrar shall cause the Bonds to be printed in blank in such number as the Registrar shall determine to be necessary or customary; provided, however, that the Registrar shall not be required to have such Bonds printed until it shall have received from the City indemnification for all costs and expenses associated with such printing.

In connection with any notice or other communication to be provided to bondholders by the City or the Registrar with respect to any consent or other action to be taken by bondholders, the City or the Registrar, as the case may be, shall establish a record date for such consent or other action and give the Depository Trust Company notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible. So long as the Bonds are registered in the name of the Depository Trust Company or CEDE & CO. or any substitute nominee, the City and the Registrar and Paying Agent shall be entitled to request and to rely upon a certificate or other written representation from the Beneficial Owners of the Bonds or from the Depository Trust Company on behalf of such Beneficial Owners stating the amount of their respective beneficial ownership interests in the Bonds and setting forth the consent, advice, direction, demand or vote of the Beneficial Owners as of a record date selected by the Registrar and the Depository Trust Company, to the same extent as if such consent, advice, direction, demand or vote were made by the bondholders for purposes of this ordinance and the City and the Registrar and Paying Agent shall for such purposes treat the Beneficial Owners as the bondholders. Along with any such certificate or representation, the Registrar may request the Depository Trust Company to deliver, or cause to be delivered, to the Registrar a list of all Beneficial Owners of the Bonds, together with the dollar amount of each Beneficial Owner's interest in the Bonds and the current addresses of such Beneficial Owners.

Section 2. Redemption of Bonds. The Bonds may at the option of the City, with such determination being made at the time of sale of the Bonds, be subject to optional redemption prior to maturity on a date to be determined by the City, or as otherwise determine necessary by the City upon the advice of the City Municipal Advisor, at the price of par plus accrued interest to the date of redemption.

If any Bond is issued as a term bond, the Paying Agent shall credit against the mandatory

sinking fund requirement for the Bonds maturing as term bonds, and corresponding mandatory redemption obligation, in the order determined by the City, any Bonds maturing as term bonds which have previously been redeemed (otherwise than as a result of a previous mandatory redemption requirement) or delivered to the Registrar for cancellation or purchased for cancellation by the Paying Agent and not theretofore applied as a credit against any redemption obligation. Each Bond maturing as a term bond so delivered or canceled shall be credited by the Paying Agent at 100% of the principal amount thereof against the mandatory sinking fund obligation on such mandatory sinking fund date, and any excess of such amount shall be credited on future redemption obligations, and the principal amount of the Bonds to be redeemed by operation of the mandatory sinking fund requirement shall be accordingly reduced; provided, however, the Paying Agent shall credit only such Bonds maturing as term bonds to the extent received on or before forty-five (45) days preceding the applicable mandatory redemption date as stated above.

Each minimum authorized denomination shall be considered a separate Bond for purposes of redemption. If less than an entire maturity is called for redemption, the Bonds to be called shall be selected by lot by the Registrar.

Notice of redemption shall be mailed to the address of the registered owner as shown on the registration records of the Registrar, as of the date which is forty-five (45) days prior to the date fixed for redemption, not less than thirty (30) days prior to such redemption date, unless notice is waived by the owner of the Bond or Bonds redeemed. The notice shall specify the date and place of redemption and sufficient identification of the Bonds called for redemption. The place of redemption may be determined by the City. Interest on the Bonds so called for redemption shall cease and the Bonds will no longer be deemed outstanding under this ordinance on the redemption date fixed in such notice if sufficient funds are available at the place of redemption to pay the redemption price, including accrued interest to the redemption date, on the date so named. Failure to give such notice by mailing, or any defect in such notice, with respect to any Bond shall not affect the validity of any proceedings for redemption of other Bonds.

If the Bonds are not presented for payment or redemption on the date fixed therefor, the City may deposit in trust with the Paying Agent an amount sufficient to pay such Bond or the redemption price, as the case may be, including accrued interest to the date of such payment or redemption, and thereafter the registered owner shall look only to the funds so deposited in trust with the Paying Agent for payment, and the City shall have no further obligation or liability in respect thereto.

Section 3. Sale of Bonds. (a) The Clerk-Treasurer shall cause to be published either (i) a notice of such sale in the authorized newspaper(s) published in the city, two (2) times, at least one week apart, with the first publication being made at least fifteen (15) days before the date of the sale and the second publication being made at least three days before the date of the sale or (ii) a notice of intent to sell bonds in the authorized newspaper(s) and the *Court & Commercial Record*, all in accordance with Indiana Code 5-1-11, as amended, and Indiana Code 5-3-1, as amended. The notice shall state the character, the amount and the authorized denominations of the Bonds, the maximum rate or rates of interest thereon, the terms and

conditions upon which bids will be received and the sale made, and such other information as the Clerk-Treasurer and the attorneys employed by the City shall deem advisable. The method of bid submission may be determined by the City upon the guidance by its Municipal Advisor and shall be set forth in the sale notice including electronic bids submitted through Parity. Any summary notice may contain any information deemed so advisable. The notice may provide, among other things, that the purchaser is required to submit to the City a good faith deposit in the form of a certified or cashier's check (or wire transfer such amount as instructed by the City) not later than a time determined by the Municipal Advisor on the next business day following the award. In the event the successful bidder shall fail or refuse to accept delivery of the Bonds and pay for the same as soon as the Bonds are ready for delivery, or at the time fixed in the notice of sale, then such good faith deposit and the proceeds thereof shall be the property of the City and shall be considered as its liquidated damages on account of such default. Bidders for the Bonds will be required to name the rate or rates of interest which the Bonds are to bear, not exceeding the maximum rate hereinbefore fixed, and that such interest rate or rates shall be in multiples of one-one hundredth (1/100) of one percent (1%). The rate bid on a maturity shall be equal to or greater than the rate bid on the immediately preceding maturity. No conditional bid or bid for less than the applicable minimum percentage of the par value of the Bonds set forth in Section 1 of this Ordinance will be considered. The opinion of Krieg DeVault LLP ("Bond Counsel") approving the legality of the Bonds will be furnished to the purchaser at the expense of the City.

Prior to the delivery of the Bonds, the Clerk-Treasurer shall obtain a legal opinion as to the validity of the Bonds from Bond Counsel, and shall furnish this opinion to the purchaser of the Bonds. The cost of this opinion, the services of the City's Attorney, the services of this Council's Attorney and the services of the City's Municipal Advisor, shall be considered as part of the costs incidental to these proceedings and may be paid out of proceeds of the Bonds.

(b) Distribution of an Official Statement (preliminary and final) for the Bonds, if necessary, prepared by the City's Municipal Advisor, on behalf of the City, is hereby authorized and approved and the Clerk-Treasurer or Common Council are authorized and directed to execute the Official Statement on behalf of the City in a form consistent with this ordinance. The Clerk-Treasurer is hereby authorized to designate the Official Statement as nearly final for purposes of Rule 15c2-12, as amended, promulgated by the Securities and Exchange Commission.

(c) If the City's Municipal Advisor certifies to the City that it would be economically advantageous for the City to obtain a municipal bond insurance policy for the Bonds, the City hereby authorizes and directs this Council and the Clerk-Treasurer to obtain such an insurance policy. The acquisition of a municipal bond insurance policy is hereby deemed economically advantageous if the difference between the present value cost of (a) the total debt service on the Bonds if issued without municipal bond insurance and (b) the total debt service on the Bonds if issued with municipal bond insurance, is greater than the cost of the premium on the municipal bond insurance policy.

Section 4. Preparation of Bonds. The Clerk-Treasurer is hereby authorized and directed to have each of the Bonds prepared, and the Council and the Clerk-Treasurer are hereby

authorized and directed to execute the Bonds in the form and manner provided in this ordinance.

Section 5. Form of the Bonds. The forms and tenor of the Bonds shall be substantially. as follows (all blanks to be properly completed prior to the preparation of the Bonds):

If, when the Bonds or any portion thereof shall have become due and payable in accordance with their terms or shall have been duly called for redemption or irrevocable instructions to call the Bonds or a portion thereof for redemption shall have been given, and the whole amount of the principal and the interest so due and payable upon all of the Bonds then outstanding or any portion thereof shall be paid, or (i) sufficient moneys, or (ii) direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America, the principal of and the interest on which when due will provide sufficient moneys, or shall be held in trust for such purpose, and provision

shall also be made for paying all fees and expenses for the redemption, then and in that case the Bonds issued hereunder or any designated portion thereof shall no longer be deemed outstanding or entitled to the pledge of taxes to be levied upon all property in the City.

Section 7. Deposit and Application of Bond Proceeds; Surplus to Bond Fund. The City of Westfield General Obligation Bonds, Series 2019 Bond Fund is created hereby (the “Bond Fund”). The Clerk-Treasurer is hereby authorized and directed to deposit the balance of the proceeds of the applicable Bonds in a separate fund (the “Acquisition Fund”), and to designate the Acquisition Fund for the applicable Project, to pay for: (1) the cost of the respective Project and all other costs and expenses incurred in connection with the Project; and (2) costs of issuance of the Bonds. Except as described in this Section, the designated Acquisition Fund for each of the Project may not be used for any other purpose. The Acquisition Fund shall, in accordance with Indiana Code 5-13, be deposited, at interest, with the depository or depositories of other public funds of the City, and all interest collected on it belongs to the fund. Any surplus remaining from the proceeds of the Bonds after all costs and expenses are fully paid shall, in accordance with Indiana Code 5-1-13, either be paid into and become a part of the City’s Bond Fund for the Bonds, or, at the direction of the City, with approval by the Common Council, be used by the City to pay debt service on any other outstanding obligations of the City. If the Clerk-Treasurer is designated as the Registrar and Paying Agent or if no agreement is executed as described in Section 1(d), the City covenants, under Indiana Code 6-1.1-20.6-10, to determine if the Bond Fund has sufficient funds to pay the principal of and interest on the Bonds at least five (5) days before such payments are due. If the Bond Fund is not sufficient because of the operation of the tax credits granted under the provisions of Indiana Code 6-1.1-20.6, the City agrees to the following:

(i) The Clerk-Treasurer shall determine or cause to be determined the amount of the deficiency in the Bond Fund (“Deficiency”); and

(ii) The Deficiency shall be immediately reported and a claim filed by the City with the Treasurer of the State of Indiana for an amount equal to such Deficiency.

Section 8. Tax Pledge. The full faith and credit of the City are hereby irrevocably pledged to the punctual payment of the principal of and the interest on the Bonds according to their terms. The City covenants that it will cause a property tax for the payment of the principal of and interest on the Bonds to be levied, collected, appropriated and applied for that purpose as set forth in Indiana Code 6-1.1-18.5-8. There shall be levied in each year upon all taxable property in the City, real and personal, and collected a tax in an amount and in such manner sufficient to meet and pay the principal of and interest on the Bonds as they become due beginning July 1, 2020, and the proceeds of this tax are hereby pledged solely to the payment of the Bonds.

Section 9. Tax Covenants and Representations. In order to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as existing on the date of issuance of the Bonds and the Regulations in effect and applicable to the Bonds on the date of issuance of the Bonds (collectively, “Code”) and as an inducement to purchasers of the Bonds, this Council represents, covenants and agrees that:

(a) The Project will be available for use by members of the general public. Use by a member of the general public means use by natural persons not engaged in a trade or business. No person or entity other than the City or another state or local governmental unit will use more than 10% of the proceeds of the Bonds or property financed by the Bond proceeds other than as a member of the general public. No person or entity other than the City or another state or local governmental unit will own property financed by Bond proceeds or will have any actual or beneficial use of such property pursuant to a lease, a management or incentive payment contract, arrangements such as take-or-pay or output contracts or any other type of arrangement that conveys other special legal entitlements and differentiates that person's or entity's use of such property from use by the general public, unless such uses in the aggregate relate to no more than 10% of the proceeds of the Bonds. If the City enters into a management contract for the Project, the terms of the contract will comply with IRS Revenue Procedure 97-13, as it may be amended, supplemented or superseded from time to time, so that the contract will not give rise to private business use under the Code and the Regulations, unless such use in aggregate relates to no more than 10% of the proceeds of the Bonds.

(b) No more than 5% of the Bond proceeds will be loaned to any person or entity other than another state or local governmental unit. No more than 5% of the Bond proceeds will be transferred, directly or indirectly, or deemed transferred to a nongovernmental person in any manner that would in substance constitute a loan of the Bond proceeds.

(c) The City reasonably expects, as of the date hereof, that the Bonds will not meet either the private business use test described in paragraph (a) above or the private loan test described in paragraph (b) above during the entire term of the Bonds.

(d) No more than 5% of the proceeds of the Bonds will be attributable to private business use as described in (a) attributable to unrelated or disproportionate private business use. For this purpose, the private business use test is applied by taking into account only use that is not related to any governmental use of proceeds of the issue (Unrelated Use) and use that is related but disproportionate to any governmental use of those proceeds (Disproportionate Use).

(e) The City will not take any action nor fail to take any action with respect to the Bonds that would result in the loss of the exclusion from gross income for federal tax purposes on the Bonds pursuant to Section 103 of the Code, nor will the City act in any other manner which would adversely affect such exclusion. The City covenants and agrees not to enter into any contracts or arrangements which would cause the Bonds to be treated as private activity bonds under Section 141 of the Code.

(f) It shall be not an event of default under this ordinance if the interest on any Bond is not excludable from gross income for federal tax purposes or otherwise pursuant to any provision of the Code which is not currently in effect and in existence on the date of issuance of the Bonds.

(g) These covenants are based solely on current law in effect and in existence on the date of delivery of such Bonds.

(h) *[Reserved]*.

(i) Notwithstanding any other provisions of this ordinance, the covenants and authorizations contained in this ordinance (the “Tax Sections”) which are designed to preserve the exclusion of interest on the Bonds from gross income under federal law (the “Tax Exemption”) need not be complied with if the City receives an opinion of nationally recognized bond counsel that compliance with any Tax Section is unnecessary to preserve the Tax Exemption.

Section 10. Continuing Disclosure. The Clerk-Treasurer is hereby authorized and directed, if necessary, to complete, execute and attest on behalf of the City a Continuing Disclosure Agreement (the “Agreement”) that complies with the requirements of SEC Rule 15c2-12. Notwithstanding any other provisions of this ordinance, failure of the City to comply with the Agreement shall not be considered an event of default under the Bonds or this ordinance.

Section 11. Debt Limit Not Exceeded. The City represents and covenants that the Bonds herein authorized, when combined with other outstanding indebtedness of the City at the time of issuance of the Bonds, will not exceed any applicable constitutional or statutory limitation on the City’s indebtedness.

Section 12. Declaration of Official Intent to Reimburse. The City intends that this Ordinance constitute a declaration of official intent pursuant to Treas. Reg. §1.150-2 to reimburse itself or be reimbursed for all, or part of, the costs of the Project from the proceeds of tax-exempt obligations.

Section 13. Severability. If any section, paragraph or provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section; paragraph or provision shall not affect any of the remaining provisions of this ordinance.

Section 14. Repeal of Conflicting Provisions. All ordinances, or parts thereof, in conflict with the provisions of this ordinance, are, to the extent of such conflict, hereby repealed or amended.

Section 15. Amendments to Ordinance. This ordinance may, from time to time hereafter, be amended without the consent of the owners of the Bonds, if in the sole discretion of the Council, such amendment shall not adversely affect the rights of the owners of any of the Bonds.

Section 16. Effective Date. This ordinance shall be in full force and effect immediately upon its passage.
